## Weekend Warriors/ConneXions Respite Care Connection

*Bringing youth together to connect and be successful!*

**Saturdays and Sundays, September 2020 to June 2021**

**Weekend Warriors/ConneXions** is a specialized program for children and youth with complex needs. This group specializes in strengthening self-esteem, skill development and socialization skills. This is facilitated in a fun, safe environment with a ratio of one staff to three youth. This group has combined two separate age groups to accommodate the lower numbers we are seeing during this COVID-19 time. Each day is full of games, art and outings. All staff are trained in safety, risk management, behaviour intervention techniques and Standard First Aid/CPR. Youth participating need to have involvement with FSCD, Children's Services or Post Adoptive Supports.
