# Respite Care Connection Summer Camps

Respite Care Connection (RCC) offers summer camps for neurodiverse children between the ages of 6 & 17.

Each day is filled with various activities including field trips, games, and crafts. Children & youth participate in geocaching, disc golf, scavenger hunts, hot dog roasts, and activities in outdoor green spaces across the city. We also use recreation venues such as swimming, the Zoo, Calaway Park, and much more!

Activities are designed to provide both recreational and growth opportunities that are specific to individual needs.

## When?

Summer camps take place throughout July & August 2024 from 9:00am - 4:00pm
